*"Rachel is amazing! In one short session, she transformed a group of high powered entertainment executives. Through a few fun and introspective exercises and discussion groups, we began to see the individual paths we needed to take. There was a shift that occurred in all of us, as we realized that it was possible to live differently. I would recommend Rachel to anyone who is looking for a more balanced and rewarding life."*

## About Rachel Karu

Rachel's personal journey as a Recovering Perfectionist inspired her to create Stepping into More - A professional and personal development company, dedicated to supporting clients with their quest to unearth their strengths and passions to lead a purposeful and empowered life!

RACHEL KARU, MS, ACC

Rachel's perfectionism paralyzed her from pursuing her passion for singing for over 20 years until a car accident changed everything.

As a result, Rachel started performing, publishing her autobiographical self-help book - *Stepping Into More – Lessons from a Recovering Perfectionist* and

producing her CD of songs - *Stepping Into More* (both available on Amazon).

Rachel has coached hundreds of successful people who supposedly have it all and yet are feeling empty and burnt out.

Prior to launching Stepping into More, Rachel served as Human Resources Manager and the Manager of Organization Development in global organizations.

Rachel earned a Master's of Science in Counseling for Business, Industry and Government and a Bachelor of Science in Business with a specialization in Human Resources. She achieved her Coaching Credential through the International Coaching Federation and is a Certified Strengths Coach.

Rachel is a past President for the International Coaching Federation, Los Angeles. She is also the Co-Leader for the Global International Coaching Federation's Coaching and Human Capital Community of Practice. Additionally, Rachel created and managed the Westside Breakfast Special Interest Group for the Association of Talent Development for 11 years.
